Before Your Party

How does check-in work?

One party vehicle may park in the designated Birthday Parking Spot to unload. If a guest needs assistance reaching the party area, please contact us at least 24 hours in advance.

The party host checks in at the admissions window in the grey silo to the right of the Big Red Barn.

Our staff will review your reservation, provide a wagon for party supplies, and direct you to your reserved shelter.

Party guests should also check in at the silo to receive their admission wristbands before proceeding to the party area.

When may I begin setting up?

Setup and cleanup are included within your four-hour reservation. You may not access your shelter or begin decorating before your scheduled start time.

We recommend inviting guests approximately 30 minutes after your reservation begins and planning to finish your celebration about 30 minutes before it ends. This allows time for decorating and cleanup.

For example, for a Holly Jolly party reserved from 12:30–4:30 PM, you might invite guests from 1–4 PM.

May we play before or after our shelter time?

Yes! Your same-day admission allows you and your guests to enjoy included farm attractions during the event's regular operating hours.

Your reserved shelter is available only during your scheduled four-hour rental.

How long does the party last?

Your shelter reservation is four hours, including setup and cleanup.

Because there's so much to enjoy, we recommend opening gifts at home so your group can make the most of its time together at the farm!

Can the shelter reservation be extended?

Party times are scheduled so our team can prepare for upcoming reservations.

If you would like to request additional time, please email tickets@pattersonfarminc.com as early as possible. Additional hours may be available for $50 per hour, subject to approval and availability.

Admission & Attendance

Who needs admission?

Admission is required for every attendee age 2 and older, including adults.

Children under age 2 are free and do not require a ticket.

Who is included in the package?

Your birthday package includes admission for up to 25 paid guests, plus three complimentary admissions for the birthday child and two party hosts.

That's up to 28 guests age 2 and older included in your package!

What if additional guests attend?

You do not need an exact final guest count when reserving.

Additional guest admissions may be added as needed. All guests must check in at the silo.

Our team will keep a running attendance count and assist with any applicable balance adjustment when your party is closed out.

May adult guests or siblings pay for themselves?

Yes! If you are not covering admission for certain guests, please let them know in advance.

They may purchase regular admission online or at the gate for your party date and should check in at the silo before joining the celebration.

What about All Season Pass holders?

Current 2026 All Season Pass holders may use their passes for general admission, including Holly Jolly Days, and do not need a separate admission ticket.

Please have pass holders present their passes at check-in.

Party extras are not automatically included with an All Season Pass.

Are birthday parties guided?

Birthday parties are self-guided, allowing your group to explore the farm at its own pace.

Enjoy the attractions, visit the animals, and return to your shelter for food, cake, or treats whenever you're ready!

Shelters, Decorations & Food

What is included with each shelter?

Shelter	Seating	Tables
Small Shelter	Approximately 36 guests	Six 6-foot picnic tables and one 8-foot serving table
Large Shelter	Approximately 70 guests	Twelve 6-foot picnic tables and two 8-foot serving tables

Holiday Party Note: Only the Small Shelter is available for Holly Jolly birthday parties on November 28, December 5, and December 12.

May I decorate the shelter?

Absolutely! You're welcome to decorate your shelter to match your party theme.

Decorations must be removable and may not damage tables, buildings, trees, or other farm property.

Please do not bring: Staples, nails, glue, confetti, piñatas, silly string, streamers, shredded paper or stuffing, glass containers, or whistles.

These items can create safety hazards for our animals if debris reaches the pastures.

May we bring food and drinks?

Yes! Guests with a scheduled birthday party may bring outside food and nonalcoholic drinks.

Alcohol is not permitted.

Please keep food contained within your party area and dispose of all trash before leaving the shelter.

The farm does not provide ice, so please plan accordingly.

Are food and treats available from the farm?

Yes! Available birthday add-ons may be selected during booking.

Options may include homemade ice cream, farm treats, drinks, and other seasonal favorites.

Availability varies by date. If you preorder food, please follow the serving instructions provided with your order or confirmation.

Weather, Changes & Final Reminders

What happens if rain is forecast?

Patterson Farm is a rain-or-shine destination and generally remains open during light rain.

Please encourage guests to dress for the weather.

If heavy storms are expected, contact us as early as possible to discuss available options.

Reschedule requests are subject to availability and current booking policies.

What happens if the farm closes?

If Patterson Farm closes, the original order will receive a closure credit, including prepaid add-ons and applicable processing or service fees.

Credits are valid for one year and may be used toward eligible public events at the farm, excluding field trips and camps.

If the farm closes after guests have checked in, eligible checked-in guests will still receive a closure credit to visit again.

What if an attraction closes but the farm remains open?

Weather, maintenance, staffing, or safety conditions may require individual attractions or animal areas to close.

An attraction closure does not automatically qualify an order for a closure credit when the farm remains open.

How do we close out the party?

At the end of your shelter reservation:

1. Clear all tables and dispose of trash in the designated containers.
2. Gather decorations, supplies, and personal belongings.
3. Return to the silo at the Big Red Barn so staff can confirm attendance and assist with any final balance adjustments.

Reservation & Payment Reminder

No payment is collected when you submit your online birthday party reservation.

Our team will email an invoice for a 25% deposit after receiving your reservation.

Your deposit is applied toward your party total. The remaining balance is due at the conclusion of your party based on your final attendance and selections.
